

# The Assemblies of God

---

The Assemblies of God is one of the world's largest Pentecostal denominations with more than 60 million members worldwide. The church was organized in 1914 at a constitutional convention in Hot Springs, Arkansas, with 200 in attendance. Today, the Assemblies of God U.S.A. has grown to include 12,362 churches with nearly 3 million members and adherents.

The Assemblies of God emphasizes personal salvation, water baptism, divine healing, the baptism of the Holy Spirit accompanied by the initial, physical evidence of speaking in tongues, and the pre-millennial second coming of Jesus Christ. The Bible is recognized as the inspired word of God and provides the rule for faith and practice. The church's three-fold mission is expressed through Evangelism, Discipleship and Worship.

The U.S. Assemblies of God headquarters complex is located at 1445 N. Boonville Avenue, Springfield, Missouri. It houses the denomination's executive and administrative offices, service divisions and departments, and the Gospel Publishing House printing plant, which produces over 12 tons of literature daily. Free, daily tours of the headquarters complex are available Monday through Friday at 1:30 and 2:30 in the afternoon.
