<sup>1</sup>Annual Church Ministries Report totals do not include ministries outside of the local church context.

<sup>2</sup>The 1990-1997 numbers are the totals of Missionettes, Ys, and Rainbows; 1998 and later data dropped the Ys and added Friends and Girls Only.

<sup>3</sup>The Challengers age group was dropped in 2003.

<sup>4</sup>Starting with 2000 data we stopped pulling forward a church's previous report of Sunday p.m. attendance when that indicator was left blank on a current ACMR.

Note: There were multiple sources of Christian School statistics prior to the report for 1986 data. Since then, only ACMR (Annual Church Ministries Report) statistics have been published.

Therefore, Education department reports published prior to 1986 may conflict with the statistics in this report.

<sup>1</sup>General Council affiliated.

<sup>2</sup>District affiliated.

<sup>3</sup>By action of the 1995 General Council, the new Language region (area) was created from the nine ethnic districts, which were removed from their previous regions. Thus, data previously published for regions is not comparable to 1995 and later data except for the Gulf, North Central, and Northwest regions.

<sup>4</sup>In 1999 the Language region (area) was divided into the Language-Spanish and Language-Other regions.

1. Race is estimated from ethnic group. For example, the Black race includes the Black, Ethiopian/Falasha, Guyanese, Haitian, and Jamaican ethnic groups.
2. The ethnic group is based on the majority (51% or more) of the congregation.
3. Hispanics may be of any race, but in this report they are listed as a separate category.
4. NOTE: Percentages may not total 100.0 due to rounding.
5. "Avg Attend per Church" represents an ESTIMATE of the average Sunday morning worship attendance of ALL people (not just the major ethnic group) in churches of that particular category. For example, an average of 30 for the black ethnic group means there is an average of 30 persons attending per church, not necessarily 30 black persons.
6. A table of race and ethnic groups follows.

<sup>3</sup>In 2006, there were 2,606 couples in which both were credentialed AG ministers.

<sup>4</sup>Individuals may be listed in more than one ministry category.

<sup>5</sup>Note that these are credentialed missionaries only, not total missionaries, which includes uncredentialed spouses.

<sup>6</sup>This number is inflated slightly due to misreporting. Also includes AG ministers who pastor non-AG churches. There are an additional 803 non-Council pastors who are senior pastors of AG churches.
