2. Secular college students participating in campus ministry: does your church have college students participating in an organized/recognized on-campus student ministry on a nearby secular college or university campus (do not include Christian or Bible colleges): number of students in AG-sponsored campus ministries (e.g., Chi Alpha) or in non-AG/interdenominational or parachurch campus ministry (e.g., InterVarsity).
3. Local Chi Alpha support: does your church financially support a local AG-sponsored campus ministry (e.g., Chi Alpha). (Do not include Christian or Bible colleges): amount for this year.

Note: Regions were changed to reflect General Council areas beginning with 1992 data published in 1993. Percentages refer to the percent of the national total and may not total 100.0 due to rounding.

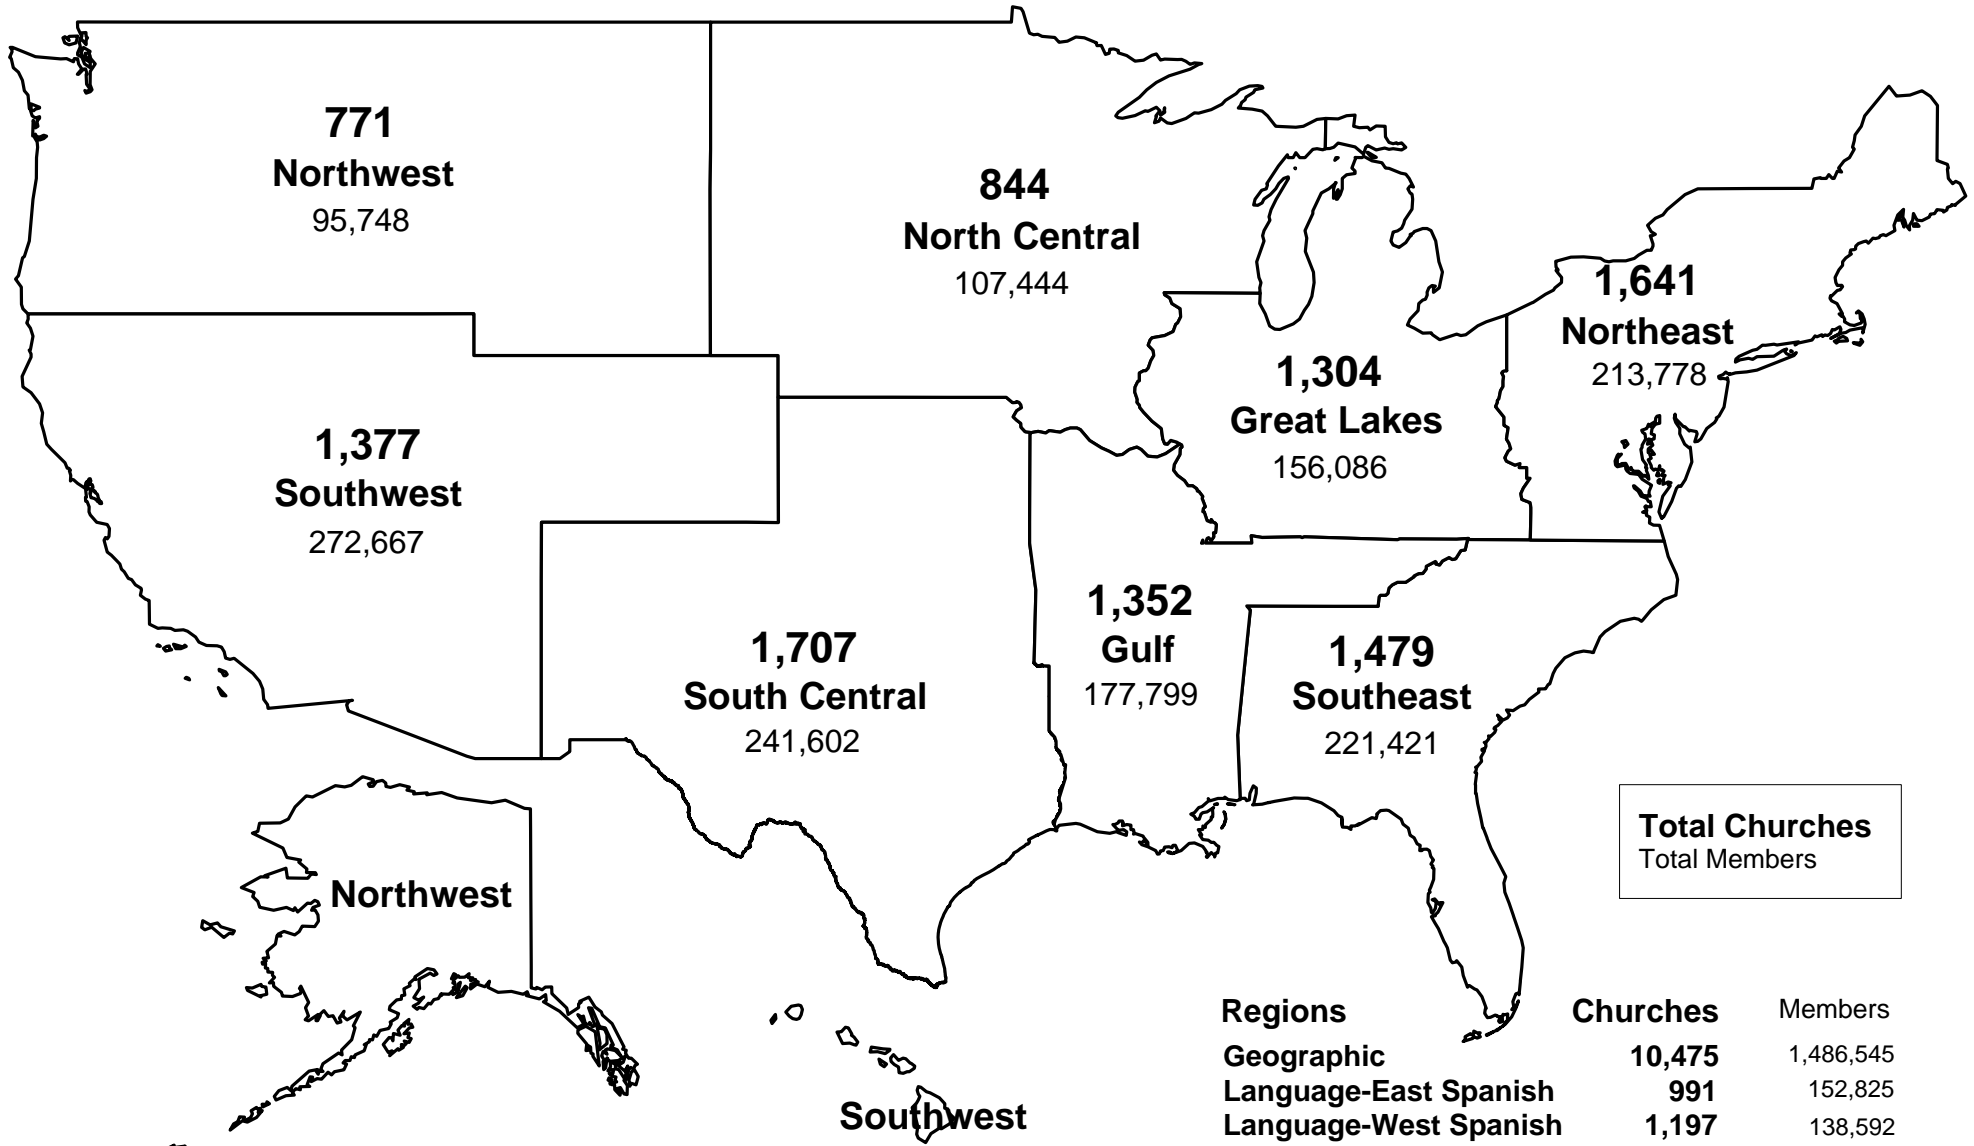

Note: Churches reporting international secular college students: 464
Some region boundaries changed in 1995. Data previously published for regions is not comparable to 1995 and later data except for the Gulf, North Central, and Northwest regions.
Total international secular college students: 3,801

¹Only churches submitting a current report, by the deadline, of major worship service attendance on the 2016 ACRM (Annual Church Ministries Report) are listed. Some large churches may not be included due to lack of reporting.

²Ranking scheme was changed in 1994 to reflect the number of churches instead of number of the rank.

³Due to differences in how individual churches report attendance from year to year, including the addition of Parent Affiliated Churches in 2009, ranks in 2008 and prior years may not be comparable to 2009 and later.

⁴Parent Churches are asked to include the attendance of their Parent Affiliated Churches in the Parent's total attendance.

³No adherents data available; Sunday school enrollment used instead.

⁴Beginning in 1979 the source of data collection was changed to the Annual Church Ministries Report.

*Explanatory Notes:

1. Race is estimated from ethnic group. For example, the Black race includes the African, Black, Caribbean, Ethiopian/Falasha, Ghanaian, Guyanese, Haitian, Jamaican, Malagasy, Nigerian, Somalian and Trinidadian ethnic groups.
2. The ethnic group is based on the majority (51% or more) of the congregation.
3. Hispanics may be of any race, but in this report they are listed as a single category.
4. NOTE: Percentages may not total 100.0 due to rounding.
5. Conversions reported do not include those occurring outside of local church ministries.
6. "Avg Attend per Church" represents an ESTIMATE of the average Sunday morning worship attendance of ALL people (not just the major ethnic group) in churches of that particular category. For example, an average of 30 for the black ethnic group means there is an average of 30 persons attending per church, not necessarily 30 black persons. Note: attendance for Parent Affiliated Churches (PACS) is included in their Parent Church totals. In this report attendance displays as zero for PACs.
7. A table of race and ethnic groups follows.
