¹Hispanics may be of any race.

²The White race includes multiple ethnic groups in addition to Anglos.

³Sum of percentages may not total 100% due to rounding.

Note: the sum of non-White adherents understates ethnic minority/immigrant adherents due to the ethnic minorities/immigrants included in the White race totals.

¹Only churches submitting a current report, by the deadline, of major worship service attendance on the 2017 ACMR (Annual Church Ministries Report) are listed. Some large churches may not be included due to lack of reporting.

²Ranking scheme was changed in 1994 to reflect the number of churches instead of number of the rank.

³Due to differences in how individual churches report attendance from year to year, including the addition of Parent Affiliated Churches in 2009, ranks in 2008 and prior years may not be comparable to 2009 and later. In addition, some churches include online participation in the attendance total.

⁴Parent Churches are asked to include the attendance of their Parent Affiliated Churches in the Parent's total attendance.

*Explanatory Notes:

1. Race is estimated from ethnic group. For example, the Black race includes the African, Black, Caribbean, Ethiopian/Falasha, Ghanaian, Guyanese, Haitian, Jamaican, Malagasy, Nigerian, Somali and Trinidadian ethnic groups.
2. The ethnic group is based on the majority (51% or more) of the congregation.
3. Hispanics may be of any race, but in this report they are listed as a single category.
4. NOTE: Percentages may not total 100.0 due to rounding.
5. Conversions reported do not include those occurring outside of local church ministries.
6. "Avg Attend per Church" represents an ESTIMATE of the average Sunday morning worship attendance of ALL people (not just the major ethnic group) in churches of that particular category. For example, an average of 30 for the black ethnic group means there is an average of 30 persons attending per church, not necessarily 30 black persons. Note: attendance for Parent Affiliated Churches (PACS) is included in their Parent Church totals. In this report attendance displays as zero for PACs.
7. A table of race and ethnic groups follows.
