\*Explanatory Notes:

1. Race is estimated from ethnic group. For example, the Black race includes the African, Black, Caribbean, Ethiopian/Falasha, Ghanaian, Guyanese, Haitian, Jamaican, Malagasy, Nigerian, Somalian and Trinidadian groups.
2. The ethnic group is based on the majority (51% or more) of the congregation.
3. Hispanics may be of any race, but in this report they are listed as a single category.
4. NOTE: Percentages may not total 100.0 due to rounding.
5. Conversions reported do not include those occurring outside of local church ministries.
6. "Avg Attend per Church" represents an ESTIMATE of the average Sunday morning worship attendance of ALL people (not just the major ethnic group) in churches of that particular category. For example, an average of 30 for the black ethnic group means there is an average of 30 persons attending per church, not necessarily 30 black persons. Note: Beginning with calendar year 2020 data, Parent Affiliated Churches(PACS) began reporting their own attendance, and that attendance is no longer included in their Parent Church totals.
7. A table of race and ethnic groups follows.
