\*Item Definitions:

1. Secular college students participating in campus ministry: Does your church have college students participating in an organized/recognized on-campus student ministry on a nearby secular college or university campus (do not include Christian or Bible colleges): number of students in AG-sponsored campus ministries (e.g., Chi Alpha) or in non-AG/interdenominational or parachurch campus ministry (e.g., InterVarsity).

Note: Regions were changed to reflect General Council areas beginning with 1992 data published in 1993. Percentages refer to the percent of the national total and may not total 100.0 due to rounding.

Note: Some region boundaries changed in 1995. Data previously published for regions is not comparable to 1995 and later data except for the Gulf, North Central, and Northwest regions.
