¹Only churches submitting a current report, by the deadline, of major worship service attendance on the 2017 ACMR (Annual Church Ministries Report) are listed. Some large churches may not be included due to lack of reporting.

²Ranking scheme was changed in 1994 to reflect the number of churches instead of number of the rank.

³Due to differences in how individual churches report attendance from year to year, including the addition of Parent Affiliated Churches in 2009, ranks in 2008 and prior years may not be comparable to 2009 and later. In addition, some churches include online participation in the attendance total.

⁴Parent Churches are asked to include the attendance of their Parent Affiliated Churches in the Parent's total attendance.
